Dear colleagues,

Following is a short reminder for upcoming deadlines of our Commission

* October 1, 2002: deadline for me to transmit the Commission report 1999-2002.

The report is limited to four pages.

Besides the classical sections on CCTF and TAI/UTC (BIPM) activities, possible topics for which contributions are sought are related e.g. to UTC redefinition, IGS/BIPM, laboratory reports ...

Please send me your contributions by September 15, 2002, preferably in plain ASCII text, alternately in Latex or MS-Word files.

* October 15, 2002: deadline to propose new IAU members through Division President. Please contact me if you wish to propose candidates.

Best wishes and, if applicable, have a good vacation time.
