

IAU Commission 31 (Time)  
Circular 5, 27 September 2002

Dear colleagues,

Please find attached a draft version of the report of our Commission for "Reports on Astronomy, Vol XXVA". The report is limited to 4 pages. If there is no remark, this is the version I shall submit (after some proofreading) to the IAU secretariat on October 1, as required. I thank those who contributed some material to this report.

Nicole Capitaine, Division I president, is asking for suggested topics to be discussed during the half-day scientific meeting of Division I which will be held during the next IAU General Assembly (possibly on Monday 21 July 2003). Your suggestions are welcome.

I remind you that October 15, 2002 is a deadline to propose new IAU members through Division President. Please contact me if you wish to propose candidates.

Best wishes,

Gerard Petit  
President, Commission 31

PS. The web page of Commission 31 (<http://www.bipm.org/IAU31/>) is updated as needed. Please feel free to comment and moreover contribute to the site.
