

SKA news for Australian Industry: 27 November 08

Regular readers will note that there has been quite a 'gap' in this email series, so here's a quick recap of recent relevant news -

1. Industry Opportunities Register

Information for organisations wishing to participate in the ASKAP project is contained in the new Industry Opportunities Register. The ASKAP Industry Opportunities Register is available on-line and in hardcopy. See <http://www.atnf.csiro.au/projects/askap/industry.html>

Note that updates will be made to the on-line version only.

2. Australian Industry Participation Plan

The Australian Industry Participation Plan for the Australian SKA Pathfinder (ASKAP) radio telescope project and for the establishment of the Murchison Radio-astronomy Observatory (MRO) outlines how CSIRO provides full, fair and reasonable opportunity to Australian businesses, including small and medium enterprises (SMEs), to supply goods and services to the ASKAP and MRO projects.

The Australian Industry Participation Plan is now available on-line. See <http://www.atnf.csiro.au/projects/askap/industry.html>

3. AUSKA Newsletters

All auska newsletters are available at <http://www.atnf.csiro.au/news/auska-newsletter/> The next auska news will be the December issue.

4. General ASKAP Update

A copy of the presentation made by Carole Jackson to the ASKAIC steering committee on 17 November 2008 is available at <http://www.atnf.csiro.au/projects/askap/parkesvisit.html>

5. ASKAP Antenna performance specification

A short overview of the ASKAP Antenna performance specification is now available from the ASKAP web page: <http://www.atnf.csiro.au/projects/askap/antennas.html>
