

I Don't Want Your Love

I don't want your love it hurts so bad.

I don't want your love you it's everything I never had.

Those other girls fill your mind

Broken promises are all I find.

You break my heart with the things you do

You break my heart - you know we're through

Your kisses are empty when you're here

I'm leaving you, am I making it clear?

I don't want your love it hurts so bad.

I don't want your love you it's everything I never had.
