

# SONG FOR A CAT

There's a cat, who cries, when there's no-one around  
There's a cat, who defies, all the laws to which she's bound  
There's a cat, who ignites, the fire in my eyes  
But this cat can see straight through all of those ruthless human lies

Oh, oh oh oh... Oh, oh oh oh... Oh, oh...  
Oh, oh oh oh... Oh, oh oh oh... Oh, oh...

She needs to know that she's loved  
And she'll never ever harm a peace dove  
Yet with superseding powers to attack  
She picks her battles wisely, this cat...

Oh, oh oh oh... Oh, oh oh oh... Oh, oh...  
Oh, oh oh oh... Oh, oh oh oh... Oh, oh...

They say all dogs go to heaven  
But I hope this cat goes somewhere, even better  
Together in our minds and hearts  
She astounded all who met her, and her spirit will live on forever...
