

Annual LBA Operations, Technical and Networking Meeting 14-15 Feb 2017

The annual LBA Ops meeting will be hosted by University of Tasmania in the Physics Building. As last year, we will use Geo500 tutorial room.

The meeting will start at 10 am on Tuesday 17th, and finish at ~3pm on Wednesday 18th.

If you wish to connect remotely, WebEx is supported. This supports hardware based room systems as well as Mac and Windows computers (and mobile devices, but not Linux without a lot of fiddling around).
