

ATNF Website Update

Shinoo Swapnil
ATUC October 2024

Australia's National Science Agency

Refresh project

- **What is it?**

Update of the current ATNF website to a modern and refreshed look website.

- **Why?**

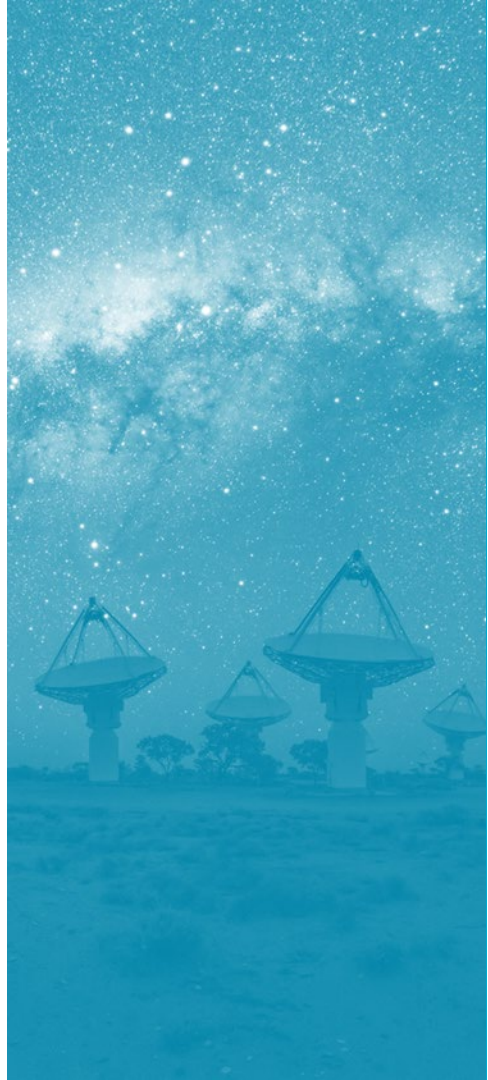

- Enhance the overall user experience.
- Improve accessibility for all abilities.

Improvements

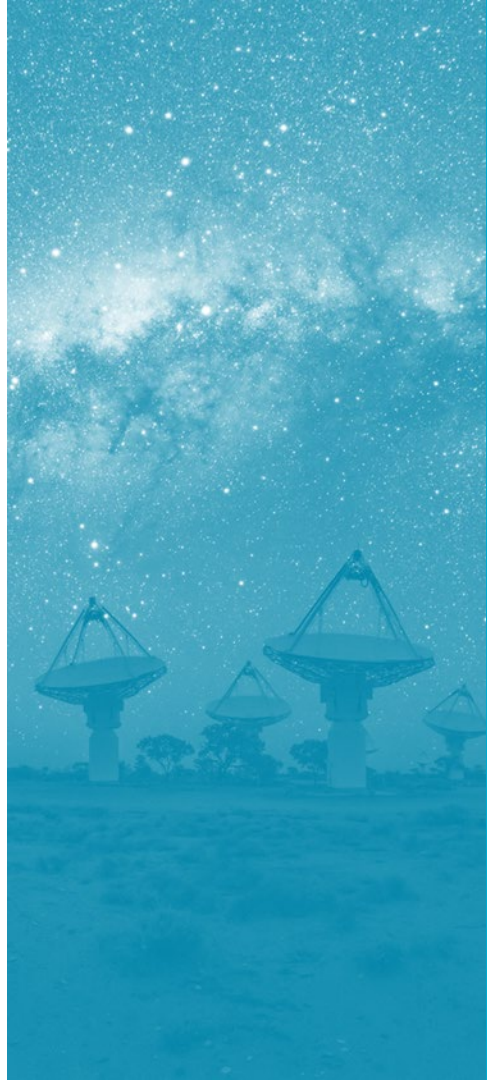

- Search function.
- Website menu structure layout.
- Enterprise content management system.
- Up-to-date webpages.
- Improved accessibility and inclusivity.

Things to note

- We are aiming to not break any links.
- Some websites will not be refreshed in this phase:
 - [Parkes.atnf](#)
 - [Narrabri.atnf](#)
 - [Visit.atnf](#)
 - [opal.atnf](#)
- Access to current ATNF website
- Go live date- 4 December 2024

Meet the project team

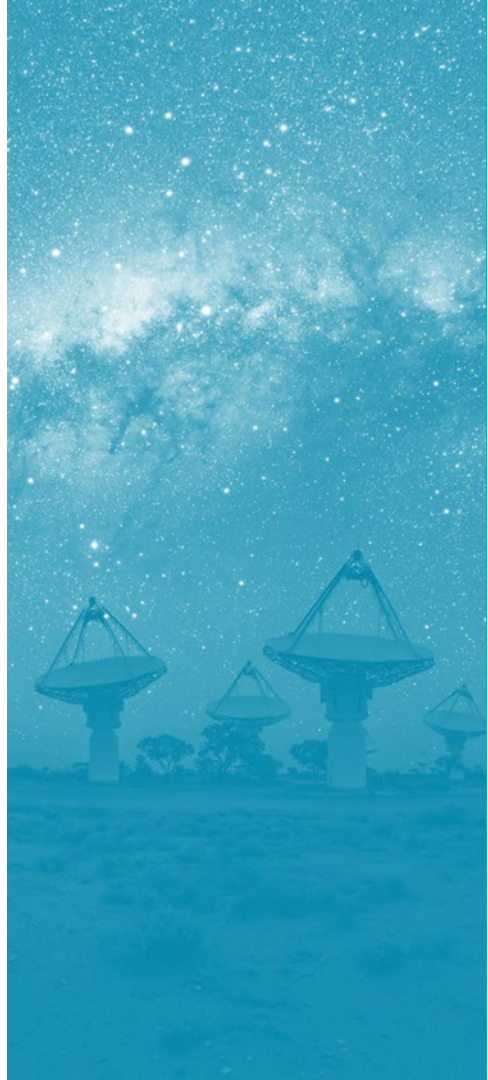

- Steering Committee: Dr George Hobbs, Dr John Reynolds and Gabby Russell.
