Australia's National Science Agency

About the role

- Unique to CSIRO
- Specialist advice and guidance across S&A.
- Supported by the S&A D&I Committee.
- Lead the development and implementation of S&A Diversity and Inclusion Action Plan.
- Engage across CSIRO and beyond to advocate and drive positive change to improve inclusion and belonging.

About me!

- Diversity and inclusion specialist 7+ years.
- University, Government, Emergency Services, NFP and community sectors.
- Queer, multiple disabilities – neurodivergent.
- Mid-century collector, history and parapsychology enthusiast.

Thank you!
