

Australia Telescope Users Committee APR2024

I would like to begin by acknowledging the Wallumattagil people as the Traditional Owners of the land that we're meeting on today, and pay my respect to their Elders past and present.

ATUC Meeting Code of Conduct

The organisers of this meeting are dedicated to providing a **harassment-free experience for everyone**, regardless of age, gender, gender identity and expression, sexual orientation, disability, physical appearance, body size, nationality, race or religion. We expect our attendees to contribute to a **professional and respectful atmosphere**. **All attendees, speakers and organisers are required to comply with the Code of Conduct**. Organisers will enforce this code throughout the meeting to ensure a safe, inclusive and welcoming environment for everyone.

In practical terms:

- Treat each other with respect and consideration
- Behave in a professional manner
- Critique ideas, not individuals
- Be kind
