Local Arrangements, LBA Ops meeting, Perth 11-12 February 2014

Meeting Agenda, etc.

Venue

The meeting will be held in the ICRAR/Curtin building in Technology park (close to, but not on, the university campus), in the video conference room.

The address is: 1 Turner Avenue, Technology Park, Bentley, WA 6102

The locations of ICRAR and some recommended hotels are marked on this Google map. We are in building 610 (top inset) on this University campus map.

Transport

There is little decent accommodation close to the ICRAR building. However, public transport from the CBD is reasonable. Google maps provides the most convenient means for navigating Perth public transport (click on the public transport link when searching for directions), but you can also use Transperth's own website.

If you choose to drive, there is ample parking at the ICRAR building (the meeting takes place out of term time, so parking is free).

Hotels

For hotels, please make your bookings early - Perth hotels are frequently busy. A couple of hotels in the CBD that are recommended are:

- The Ambassador Hotel
- Miss Maud

There are also options for serviced apartments in South Perth (closer to ICRAR, but not quite as convenient for public transport):

- Assured Waterside Apartments
- Broadwater Apartments

There are a number of other options listed on the university web pages:

- Hotels
- Serviced apartments

You can also try your luck at Wotif and Quickbeds.

Meeting

- ICRAR will provide some morning/afternoon tea + coffees, and a light lunch.
- Wireless internet access is available in the ICRAR building.
